

Waterloo Park District Paver Project
Located at Konarcik Park

The Waterloo Park District has established a Memorial/Booster Paver project. This ongoing project is to raise funds & secure donations for the purchase new benches, tables, grills, trees, playground equipment etc. and for new/expansion projects. These funds will not be used for daily operation or maintenance of the parks.

Previous monetary and physical donations have been made by generous local groups, individuals and organizations have made it possible to provide the community with the updated toilets, playground equipment, gazebo, walking trail, soccer fields, and new pavilions at Lakeview, Konarcik, and Lions Memorial and Koenigsmark Parks.

The pavers purchased through this project create a lasting memory to recognize individuals, groups, businesses, organizations, families, loved ones or special events.

The enjoyment and use of the local parks and pavilions has increased along with the increase in our population.

The Pavers for this project are laid at the base of the flag pole at Konarcik Park and can be viewed on our website www.waterlooparkdistrict.org.

For additional information or order forms call Joann Harlin 618-939-7428 or visit our website.

Please include a contact person and phone number on the form below for any clarifications regarding the lettering on the pavers etc.

Waterloo Park District Memorial/ Booster Fund
